

ARCADIA 206

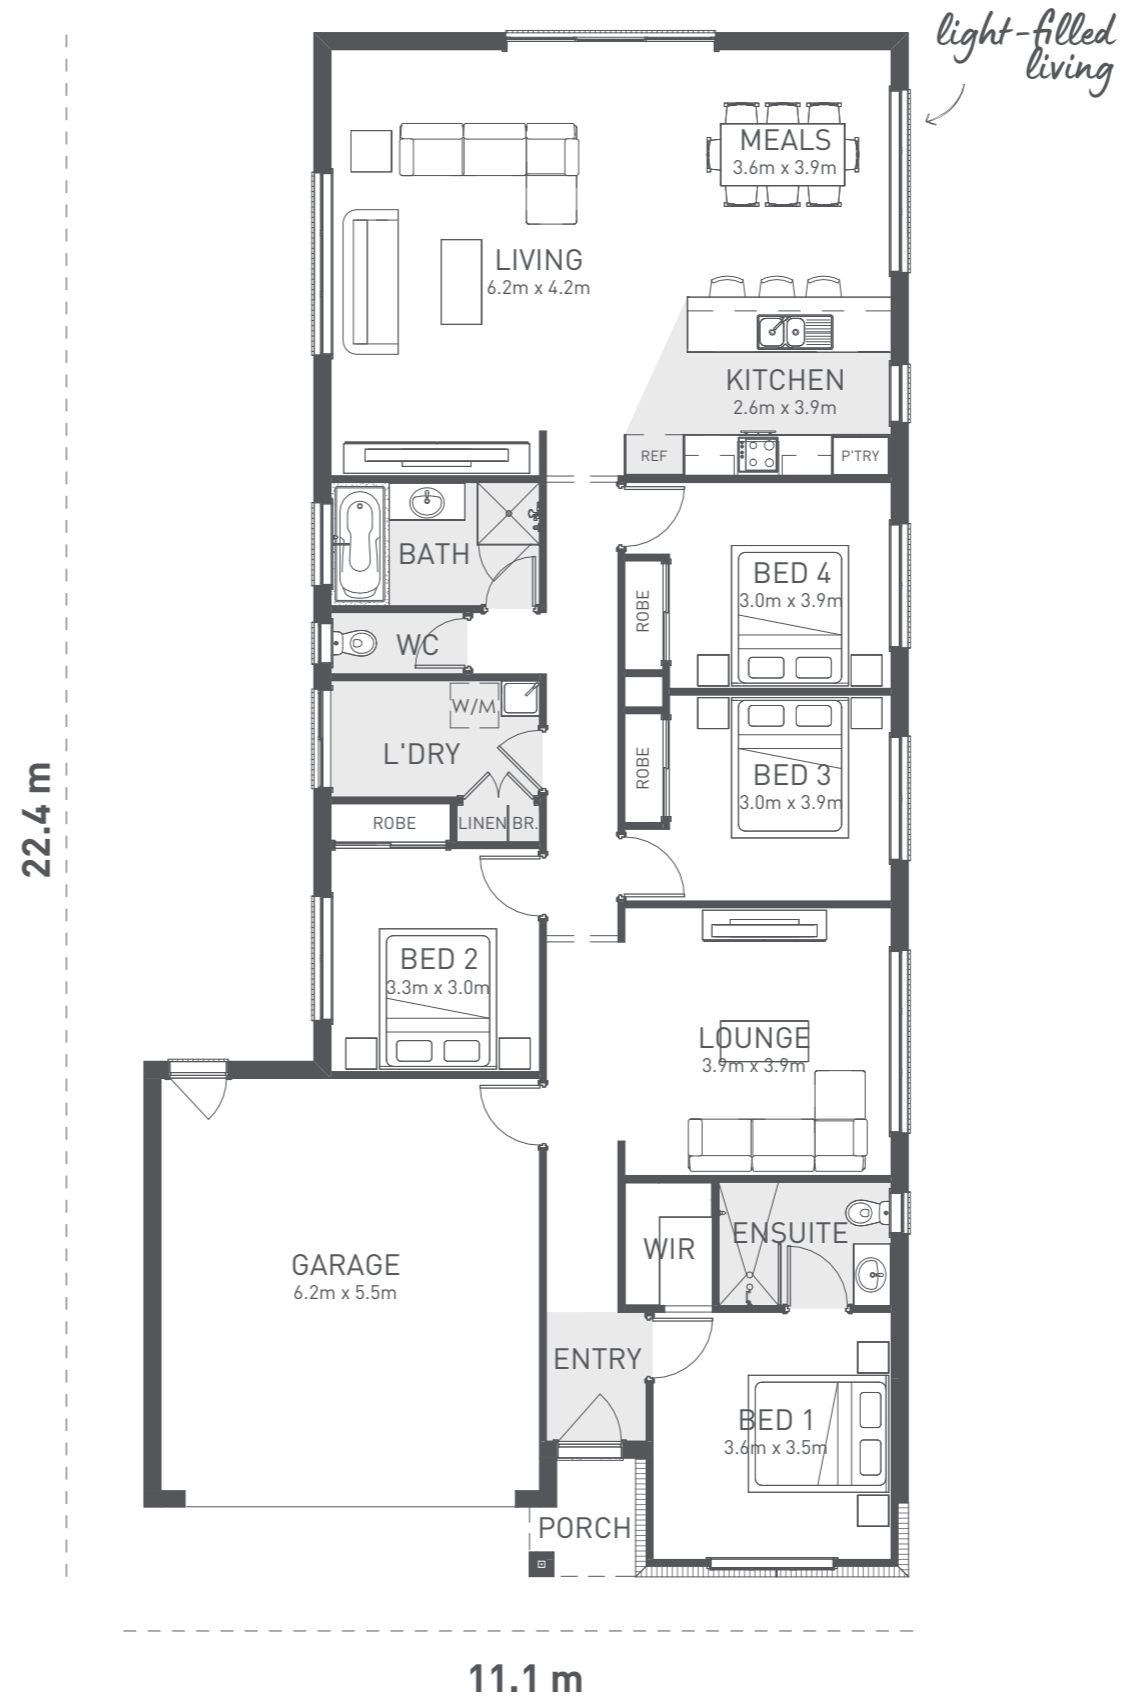

The Arcadia 206 packs a whole lot of living into this great little design.

Parents will enjoy their own haven with the master bedroom, ensuite, walk-in robe and separate lounge located at the front of the home. The central hallway flows past three additional double bedrooms to the open plan living and kitchen.

With plenty of windows, this space will be filled with natural light and views of the surrounding gardens. Everyone will feel at home in the Arcadia 206.
