If you've been dreaming of a contemporary home that embraces the family life, then the Thornill 212 is right for you.

The secluded master bedroom has a large walk-in robe and ensuite with a separate WC. A further three double bedrooms are located in a zoned wing off the main living area, allowing kids or visitors peace and privacy. The separate formal lounge is perfect as a parents' retreat or can be closed off and used as a media room. The functional kitchen boasts a large walk-in pantry. The generous walk-in linen cupboard in the hallway is another great storage solution.
