

HARPER 147

The Harper 147 packs a lot of home into a block with an 8.5m width.

The main bedroom of this design is spacious and features a walk-in robe that flows through to the ensuite. The ensuite is functional and includes the luxury of a large shower. Two additional bedrooms are centrally located off the main hallway. The hub of this home is the kitchen/living/meals area which is light filled and has been designed to add an optional alfresco. The kitchen features a generous size walk-in pantry with space to hide the fridge. This home also features a separate laundry with storage.
